Dear Parents and Students,

I want to thank you for the consistent effort you put forth this school year. Your child has worked so hard and maintaining the skills he/she has acquired is extremely important. Enclosed in this packet are the required reading assignments for the upcoming school year. This should be done throughout the summer to make reading a part of your daily routine.

To foster a love of reading, students should choose books of high interest to them. Online platforms, the local library, and bookstores can assist you in finding the books necessary to meet the reading requirements.

Upon returning to school, students will hand in their completed activities to their teacher. The elementary schools will each recognize those students for their extra hard work and dedication to reading by bestowing upon them a reward for their participation in the program as well as giving credit towards their reading grade.

All information can be accessed on www.gboe.org by clicking on the summer reading link. Forms for assignments can be recreated by photocopying, downloading off the school website, using a word document, or handwriting it on a separate piece of paper.

Once again, thank you for your continuous involvement in your child's education.

Sincerely,

Dawn Rotio
