## Mission:

City of Champions Academic Support Program is a program created by the Garfield Recreation Center dedicated to assisting Garfield students in achieving their academic goals. City of Champions Academic Support Program will be facilitated by certified teachers and academic coaches. This 8-week academic program will improve student achievement and prepare students for future academic goals.

City of Champions Academic Support Program is staffed by certified Faculty who assess the needs of students and work to assist them with the following.

1. **Understanding academic goals.**
2. **developing plans and organizational skills to assist student success.**
3. **Coaching students in reaching academic goals by assisting in tutoring, test taking skills, and homework help.**
